HOY. ZACHARIAH WHEAT, of Adair. FOR CLERK OF THE COURT OF APPEALS,

WRAT MR. BICHANAN RAS UNDERTAKEN.—AND
M WRITE OF HE WILL PROBABLE BOThere is good reason to believe, that, while
the recent acts of British naval officers in the Gulf
have transcended, at least in several instances, the
tas of that right of visit which Great Britain asThe second acts of the principles without measure, and
any American who could be induced to support him
bood.

CETA shooting aftray occurred at Memphis on
Thursday between George Nelson, of the firm of
Nelson & Cu., and Willia Roglan, a printer. Nelson
in the cash value of the interest of each own
arty to be condemned. It is also provides for
ment of the same,
in all rases of disjunce of title the amount
that the recent acts of British naval officers in the Gulf
would be recreant to his principles and to his man
hood.

Thursday between George Nelson, of the firm of
Nelson & Cu., and Willia Roglan, a printer. Nelson
makes provision as to the manner and time
possession of the property. te of that right of visit which Great Britain as-and which we deny, the pith and substance, the and body of those acts have been in perfect ity with the instructions of the British Govmander of the Sayx and his fellow officers were ordered to visit and verify the nationality of suspicial toking we sell bearing the American flag, although the probably executed the order in a manner to mera and ultimately to receive the severe consure of their own Government. If we are correct a the opinion, and we do not very well see what officer v' w is add is ble, it of course devolves noon.

Mr. B. ha are, emeracing in its fullest extent, as the opinion is fullest extent, as a the composition of the soundary of the afficient point hitberto asserted to visit and verify the nationality of sixteen indoor that it can't tell night from day. It is so greedy of buttle to that it can't tell night from day. It is so greedy of buttle and read and four unfortunates lost their that it can't tell night from day. It is so greedy of fourth it reach they found it is unwilling that Americans fourth it reach the green and four unfortunates lost their that it can't tell night from day. It is so greedy of fourth it reach that the can't tell night from day. It is so greedy of fourth it can't tell night from day. It is so greedy of fourth it reach in the green and four unfortunates lost their that it can't tell night from day. It is so greedy of fourth it reach that dieglet hundred and four unfortunates lost their that it can't tell night from day. It is so greedy of fourth it reach the green and four unfortunates lost their that it can't tell night from day. It is so greedy of fourth it reach the green and fourth it reent on the green and that it can't tell night from day. It is so greedy of fourth it can 't tell night from day. It is so cratic candidate and his for letter down ill to make at any moment. This to use the control of t I w le coas v ridiculous and disgracew b the hamiliation for an inW. t. t. m happen? Why, manit. M l m mat e ther fight or submit.

M l m mat e ther fight or submit. I -- 1 t n with Great Britain, or eat Secre-

and says:

of Democracy

This is the game to be played, and Americans should beware of it and anti-Lec improve Democrats should beware of it and anti-Lec improve Democrats should scorn the party that resurts to such trickers.

So me modication of the present jurisdiction of the should scorn the party that resurts to such trickers.

So me modication of the present jurisdiction of the partient, would trespass upon half a dozen patents which have years to un. It has required years court, it is said, is called for, because the court, as at present constituted, has failed of its object, which have years to un. It has required years of the form of the party that resurts to such trickers.

drew his revolver and fired four shots. Due of the shots entered in the region of the hip bue, but did not senting in a public room, and says the gas and coal to warm the room are paid for out of the public treasury. It will be news to the people of this commonwealth that the warmth and light of the sun are paid for by the citizens of Louisville. The meeting was held in the day time. The out of light was that afforded by the an in the leavens. Democracy however has become so blind that it can't tell night from day. It is so greedy of the coalts and the property.

I will be news to the people of this commonwealth that the warmth and light of the sun are paid for by the citizens of Louisville. The meeting was held in the day time. The out of light was that afforded by the am in the leavens. Democracy however has become so blind that it can't tell night from day. It is so greedy of court in many that it can't tell night from day. It is so greedy of court in precent on the gross number delivered. coal to warm the room are paid for out of the public treasury. It will be news to the people of this Commonwealth that the warmth and light of the survey have been in some cases, if not all, carried out treasury. It will be news to the people of this Commonwealth that the warmth and light of the survey have redently been authorized by express direct. There is it is or no doubt, we think, that the mander of the Syxx and his fellow officers were mander of the Syxx and his fellow officers were leavens. Democracy however has become to blind leavens. Democracy however has become to blind shat it can't tell night from day. It is so greetly of the gross number delivered.

once before and thus they ware tally be ten. In cartain, we have a many denial of the right of visit, as I af required in its broadest terms by the ten we can be very expensively to restant the world certainly best the opponent and we cannot for the more abuse of the right.

R. R. Revill, the Sag-Nicht candidate for t, - k reparation for any loss or in- Clerk of the Court of Appeals, holdly announces in the may have resulted from its exercise of the his speeches his intention to return house to Owen This is an open confusion of the country in time to let the Democrate there know how many votes must be cast to secure his election. This is an open confusion of the willingness of the term of the country in time to let the Democrate here know how many votes must be cast to secure his election. This is an open confusion of the willingness of the Owen country Democrate to react to fraults. It is an imputation that the housest voters of Owen should be the humiliation for an in-

in a law anned. Whether he is entire-of its a salidite, or whether, if he of appeals. R. R. Revill, the Sag-Nicht candidate. has no record whatever. He was never heard outside of "Sweet Owen" until he received this
